

Te Karere

E kore rawa e mōnehunehu te pūmanawanui ki tō tātou reo rangatira te mātahi o te tau, te ura mai o te motu Te Kura Kaupapa Māori o Manawatū ki Rangitāne.

Tēnā koutou e te whānau,

Nau mai hoki mai ki tō tātou kura.

Welcome back whānau to term 2.

Warm welcome to our new whānau who started on Tuesday and a big thank you for kai that was brought in to assist with looking after our manuhiri.

Kurahaupō has collapsed as an akomanga and all students have transferred to Puketōtara. Kura Teina is now made up of Puketōtara, Whātonga and Rangiotū.

The tamariki have had an awesome start to the gymnastics programme. Our kura teina looked very smart, decked out in their hākinakina uniform. The bus company got a bit confused on picking us up but they will be on point next week. We will certainly have fit little bunnies. Kura Pakeke need to follow suit. Some of our tuakana were restricted in moving because they chose to wear inappropriate gear. Come prepared with a water bottle. Kia kaha tamariki mā.

During the holiday break we had the playing fields scarified, topsoil spread, seeding and fertilised done. We are hoping this will help with the draining of the water during the winter time and be ready to start on the running track in term 4.

(Board of Trustees Elections)

The general roll has been updated to include our new whānau. This can be located in the Tari.

Paid Union Meetings

Reminder the kura will be closed Wednesday 8 May at 1:00pm . Kura will be hosting Paid Union Meeting. We apologise for the inconvenience this may cause whānau.

Why are we participating in this Paid Union Meeting?

We want teachers to teach, so that every child receives the personal attention they need to learn and thrive. It means freeing principals to focus on leading and it means ensuring we have enough teachers by attracting more people to teaching, by respecting them as professionals and paying them properly. We currently have a growing teacher shortage crisis which will continue to impact on teachers and students and less people training to become teachers.

PB4L - “Ngā Tikanga Pūmau mō te Ako”

In week 3 of this term pouako are excited to share with the whānau an initiative that we have been working on to help us with developing our kura values and how our values can better guide the preferred behaviours within our kura.

Please join us at 5pm on Wednesday the 15th of May in Te AweAwe to learn and understand more of what this kaupapa is about.

Te Piringa o Puketōtara ki Whātonga

With the up and coming departure of whāea Kara, in week 4, to her new kura, the merge of Puketōtara students and the move of Kurahaupō into Puketōtara has gone smoothly. With our first week of this term having come to an end we are very excited with how well the tamariki have managed the merge of classes. Whāea Emerly is now teaching in Puketōtara with 15 students and Whāea Hana continues in Whātonga with 22 students.
