“Ko te tupu o te Mahuri, tērā te tupu o te rākau”.
The way in which we nurture our tamariki will help shape the way they will grow.

Kei aku nui, kei aku rahi, tēnā tātou katoa.

Teaching staff welcome the third term of our school year and as we continue to venture through the daily maintenance of Kura life, our learning programmes this term are focused on the above proverb, ‘Ko te tupu o te Mahuri, tērā te tupu o te rākau’.

Uiui Mātua/ Pouako:

On Tuesday and Wednesday parent teacher interviews were held. If you were unable to attend the interviews, please feel free to make contact with your child’s pouako to arrange an alternative day and time to meet.

Ngā Tikanga Pūmu o te Ako (PB4L - Positive Behaviour for Learning):

Staff have been working on our school wide values. We look forward to sharing with students and whānau our newly developed matrix focused on our Kura Wide Values and how these will be taught within the various contexts of Kura.

Whānau Carpark:

Please help us to keep our tamariki safe by ensuring they are not running across the carpark, walking on the road or sitting and playing near the curb-side. It is also important that we the whānau, role model the correct movements within the whānau carpark. Please refrain from walking across the round about or from one side of the carpark to the other. We encourage whānau to please role model using the footpaths where practical. ***Kia kaha, Kia Haumaru!***

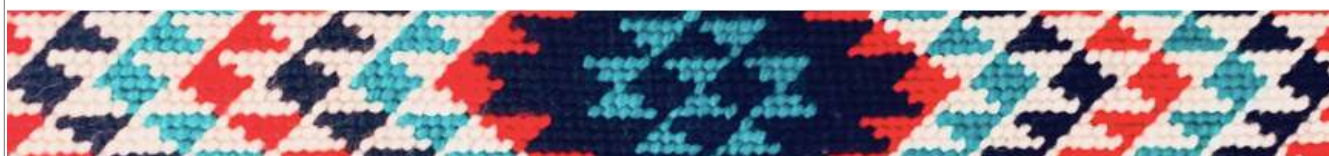

Karakia Ngātahi:

On Monday, the start of term 3, staff began a new karakia ngātahi initiative to help further enhance a Te Aho Matua approach to the beginning of each day. Students line up in their 'Ngā Hau e Whā' groups - RAKI, TONGA, RAWHITI, URU, which is a tuākana/ teina combination. They enter Te Aweawe and we are all seated around the whare. We have seen a wonderful shift in mood and attitude during our morning karakia sessions. Each week, we will focus on teaching a new kura wide waiata. We would love for whānau to come and join us during our kura wide karakia & waiata time that begins at 9:10am every morning. ***Nau mai, piri mai.***

Ngā Rā Pakirēhua:

Every Friday starting next week, we will hold a special theme day called 'Ngā Rā Pakirēhua'. Students will be encouraged to come to kura in theme. It is an opportunity for our tamariki to be creative and enjoy a twist to their day. Our up and coming Friday Kaupapa are:

Week 2	Friday 31 July	Kākahu Moe
Week 3	Friday 7 August	Tuahangata
Week 4	Friday 14 August	Atua Māori
Week 5	Friday 21 August	Ōku Tino Hū
Week 6	Friday 28 August	Hākinakina
Week 7	Friday 4 September	Pōtae Hirahira
Week 8	Friday 11 September	Makawe Auaha
Week 9	Friday 18 September	Ngā Hau e Whā
Week 10	Friday 25 September	"Tihikau/ He Kanikani"

Whakaaturanga:

On Friday 7 August at 2pm we will have a couple of 'Whakaaturanga' shared where some students will be showcasing a few skills that they have learned. Please feel free to join us for an afternoon of fun and entertainment.

Nō reira e te whānau.

Mauri ora ki a koutou katoa.

Nāku iti nei, nā ***whaea Hana Netana***

KIA MAU KI TE KUPU A TE HĀKUI

Ka nui te aroha ki tō tātau ruruhū, ki a Nanny Nancy!

Last term we had the honour of farewelling our beautiful Nanny Nancy Keelan-Tibble. After 18 years of service and commitment to our kura, it was time for us to wish our nan all the very best for her retirement. Nan has been a pillar for our whānau, for our kaupapa and an absolute inspiration to have working alongside our tamariki.

It was absolutely wonderful to have representatives from each class stand to express their words of appreciation and aroha for our nan. Our tamariki and whānau filled our whare with beautiful waiata and gifted nan precious taonga. It was an honour to have nan's whānau beside her and also some of her most dear whānau and friends too to share in this celebration. It was extremely special also to have her mokopuna Apiata & Maioha, raukura, of our kura join us at this very auspicious occasion.

Precious nan, go well, go safely and go with the blessings and aroha of the whānau of Te Kura Kaupapa Māori o Manawatū. May the next chapter in your life be filled with much relaxation and joy just as you deserve. Nui te aroha e hika!
