Pānui Kura #6

Kei te whānau whānui o Te Kura Kaupapa Māori o Manawātū,

Kei ngā maunga whakahi, ngā tai mihi tāngata, ngā awa e rere nei, ngā mana whenua, toitū ki a koutou. He tātai whetū ki te rangi, mau tonu, he tātai tangata ki te whenua ngaro noa. Kei ngā mate o te wā whakangaro atu rā, whakangaro atu rā.

Ko Te Reo Kia Māori

I wish to make mention of the many whānau who are on Te Reo Māori journeys of learning. The commitment of the many is the ignition to ensuring that our taonga is never lost. Kei ngā puanani o te reo, okea ururoatia!

Parakuihi

Many thanks to our fantastic whānau who support the breakfast club, Whaea Te Rangimarie, Whaea Bronwyn & Pā Whitiora, kei tāwhiti koutou!

Kaipara Witi Piki

This month three students entered the Weetbix Triathlon. I wish to acknowledge Year 6 Riley Cribb, Year 5 Latisha Cribb and Year 3 Te Koha Nuku on an amazing achievement in completing the course. If there are any whānau who would like to start a Weetbix tri training club please let me know. This could perhaps commence term 3-4 ready for term 1, 2022. [He whakaahua \(wh 3\)](#)

Mōhua

Our Mōhua 2020-2021 mixed softball team played an outstanding season of softball and placed 2nd in the competition. It was beautiful to have our year 9 raukura stand alongside their teina for the final game. Ka mau te wehi! [He whakaahua \(wh 3\)](#)

Te Tohu Paerewa

This term our Tohu Paerewa students completed 2 weeks of their 7 week practicum. It was a pleasure to have our very own Whaea Lisa Pirini, Pā Dillon King and Whaea Liza Whaiapu at kura for teaching experience. We look forward to them returning to us in the up and coming term to complete part 2 of their practicum.

Kua Pūmau Kē te Tūranga

Last term kura made a permanent pouako appointment. On behalf of our interview panel I am excited to acknowledge our very own raukura Pou Mahinarangi Kerehoma-King to this appointment. Pou Mahina brings a wealth of knowledge and expertise in Toi Ataata Māori. E te pia o Te Aho Matua, kei tawhiti koe, e kō!

Eke Pānuku Eke Hohoro

In the recent weeks we have had many successes amongst our kura whānau. Our very own raukura Rakaia Marshall graduated with a Bachelor of Exercise and Sports Science. We are very proud of this achievement, all the hard work has certainly paid off. Kātuarehe koe e hine! [He whakaahua \(wh 3\)](#)

Nau Mai e Ngā Taonga

I wish to extend our warmest wishes and congratulations to two of our kura whānau who have welcomed their new additions into the world. Congratulations to Pā Dion Ponga, Whaea Te Ara Ponga and whānau for the birth of their baby girl, Kahumānea. Congratulations also to Pā Josh Campbell, Whaea June Nicklin, Matiu Campbell and whānau for the birth of their baby girl, Te One Haumako. E hine mā, e rarau!

Pā Harakeke

The Board of Trustees wish to thank you all for attending and for allowing them the opportunity to introduce themselves in particular to new whānau. We are thankful for the many apologies received and for those who sent a representative along. What we are wanting to find out is, what day best suits you to attend a Pā Harakeke (Whānau Hui)? It is important to motivate whānau engagement, but more importantly that you attend to have a voice. A google form will be sent out shortly requesting responses. We will endeavour to secure dates that will best suit the majority of the whānau.

E Rarau

During the easter break some of us were fortunate to accompany Whaea Phyllis to her pōwhiri. Whaea Phyllis has joined the Ministry of Education in the area of supporting schools to further develop kaupapa Māori in their kura. Whaea Phyllis is employed there for one day per week and remains at kura as a permanent 0.8 English teacher. [He whakaahua \(wh 3\)](#)

E-Poro-Waru Update

Acknowledgements to Manawanui & Te Mauri for their group submissions for challenge #1 of the EPro8 Competition. Both groups worked tirelessly and entered their projects. Manawanui then qualified for a spot at the semi finals and were placed 4th out of 12 schools. On Wednesday 14th April they went on to the grand finals and were armed with a workstation of gear and equipment to put their problem solving skills to the test. They were tasked to complete structures accumulating points throughout the process. It was intense and there was much pressure on the tamariki but they appeared to work well under pressure and successfully took first place as the reigning regional champions of the EPro8 Year 7-8 Competition for 2021. We are extremely proud of our tamariki. The many hours put in certainly paid off. There are other equipment packs that we wish to purchase. Whaea Debbie will be coordinating mufti days to raise funds for more equipment. Thank you Whaea Debbie for supporting this kaupapa. See the attachment for further information regarding the mufti day schedule. [He āpitihanga \(attachment\)](#).

Rotarota Atu, Rotarota Mai

Whaea Phyllis coordinated an amazing Poetry Festival. All year 6-8 students participated and enjoyed being able to express themselves through poetry. The presentations were well prepared and each child stood with confidence. This is a prime example of student achievement, we say that because it takes a huge effort and courage to stand before an audience. We are super proud of all the participants. All rotarota were beautifully prepared and presented.

Rēhita Kiki

I am pleased to share that our very own Pou Lala has attained her full teachers registration from the New Zealand Teachers Council. This is a big milestone for any teacher transitioning from provisionally registered to full. Ngā mihi e hika!

Kia mau ki ngā Kaihāpai o Te Aho Matua

We are pleased to announce that our Whaea Emerly Todd will remain at kura until the end of this school year. Whaea Emerly will remain in Puketōtara. She is an amazing pouako who we are excited to be able to hold onto. She is a raukura of KKM and very passionate about Te Aho Matua, therefore we know our kaupapa is in good hands. Kei runga rawa atu koe!

He Kupu Poroaki

We wish to acknowledge Whaea Helen Parker for the time she was employed at kura as a reliever and the hangarau kai teacher. We also farewelled our Pā Dion Ponga at the end of term 1. We wish them both the very best. E kore te aroha e mimiti ki a rāua!

Kia Mau ki te Raukura

I am pleased to share that a fixed term position was offered to our very own raukura, Pou Hinewai Netana-Williams. Hinewai will be nurturing and supporting Aotea under a Limited Authority to Teach. She has worked tirelessly over the holiday period planning and preparing learning displays for the classroom environment. She will be fully supported by her team leader (her māmā) and myself as her supervisor. The pouako are excited to have her join the teaching team and they too fully support her within this fixed term appointment as a LAT. E hine, ka mutu pea koe!

Kei warewaretia

Our kura were invited to contribute artwork to the War Memorial Hall to commemorate ANZAC day. Rangiotū gifted poppies designed by Pā Dillon King and Kurahaupō gifted a combined canvas piece. E mihi ana ki ngā pouako, ki ā tātau tamariki anō hoki. [He whakaahua \(wh 3\)](#)

Whakangūngū Ngaio

Over the holiday period staff were involved in professional development. Whaea Emerly, Pou Mahina & Pou Lala attended a 2-day Hangarau Matihiko Conference in Christchurch. We look forward to their recommendations and new learning to be implemented into the classrooms. Last week Whaea Hana and Pou Hinewai participated in a 1-day online PD with the pāngarau guru herself, Whaea Ros Bartosh. Poutama Tau was the kaupapa. I wish to acknowledge also our Whaea Debbie who amongst her busy life caring for her many mokopuna, managed to find a week during the break to continue with admin tasks. We are extremely lucky to have the staffing team that we have. Pukumahi!
