KOHINGA WAIATA

The following is the bracket of items that the rōpū will take to the national stage. As you can see the team have been working hard behind the scenes composing waiata for our tamariki. A wānanga raukura was also held in term 3 of 2020. It was held to discuss hītori and the aspirations of ‘Rapua te Kura Tika.’ The raukura composed a pātere which takes us on a journey from then to this present time and the aspirations of this rōpū who established our kura to which we are proud to say we are a part of today. This item will be taught by the group of TKKMOM raukura who composed it. The goal is for the entire kura and whānau to learn it also as a taonga gifted by this group.

- Tira - Aku kahukura
- Whakaeke - Hipi whai noa
- Pātere - Rapua te kura tika
- Ā-ringā - Taku iho matua
- Poi - Rei Tūrehu
- Haka - Moumou te pango
- Whakawātea - Tūia te mātangi

WHO CAN TRIAL FOR A POSITION IN KAPA MATUA

All tamariki of Rangiotū, Aotea and Arawaru may trial. This year the tutors would like to open this opportunity up to any Puketōtara students who also wish to trial. Just so that whānau are clear, a national campaign requires a substantial amount of commitment and attendance at noho and practices. Tutors will be giving of their time and require consistency and dedication from each and every performer vying for a position, therefore they too require commitment. Feel free to call me if you would like to further discuss this if this is an option for your tamaiti.

An information evening for interested tamariki, will be held on May 6th in Te Aweawe to inform mātua of how the campaign build up will look and to share expectations. It will also be an opportunity to meet other support tutors. If there are any whānau who are able to help with setting up a kitchen roster and menu's please contact me prior to the information hui. If we can sort this before the hui then this too can be shared with the whānau.
