### NŌ MĀTAU TE MĀNGARI

Whakapuaki Arapere, Lisa Pirini & Dillon King officially commenced their teaching positions with us this year. We held our pōwhiri for the new students on Tuesday 1 February therefore acknowledged our tamariki and kaimahi together, moving into their new roles. They are all valued whānau members with tamariki/mokopuna at kura therefore they are well invested in kura and committed to our tamariki. They have worked in pouāwhina and/or LAT roles within kura and have an already established relationship with our tamariki.

They will be supporting learners and assisting pouako. We are excited to have them on board. Aareta is currently finishing a holiday contract with PNCC.

***NAU MAI, E HINE MĀ! RARAU MAI, E TAMA MĀ!***

We welcomed our new students to kura. We are thankful to their kohanga reo for gifting us with such precious taonga but more importantly we are thankful to their whānau for entrusting in our kura to nurture, grow, develop and guide their/our tamariki. Whaea Debbie Marshall-Lobb (our very first tumuaki) joined us that morning. It was lovely to have her present to help us make our new students first day special. E tau nei e ....

- Kartel Simon Ng (Te Whānau Mana Kākano Kohanga Reo)
- Wiha Kerehoma-King (Te Āwhina Kohanga Reo)
- Evie-Kate Whatuira (Te Kohanga Reo o Ngāti Hineaute)
- Alexia Warren-Meha (Te Ao Marama Kohanga Reo)
- Hinerangi Rimene (Te Puna Reo o Whaea Jordan)
- Kauhoe Takitimu (Te Arawaru ki Central Normal)

Kei ngā manu pīrere, mā mātau koutou e manaaki, e tiaki!

**ANŌ NEI TE ĀTAAHUA O TE NOHO TAHI A TE TEINAME TE TUAKANA - NGĀ RAUKURA!**

It brought us much happiness to have last years tau 8 return back to kura during week 1, before they took flight to their individual high schools.

To the right, our raukura Taimania Tepania and Manaia Matehaere who sat beside their tuākana on the pae. It was an honour to have them return to their kura, supporting their teina, leading the pae, contributing to our kaupapa and filling our hearts and the hearts of their teina with happiness and sadness too knowing their departure was nearing. This is leadership, this is Te Aho Matua, this is the role model of a Kura Kaupapa Māori ambassador.

We also had the privilege of our raukura Lucy Karatea returning to give back to her kura. Another true leader with a beautiful wairua, a kind heart, with so much potential.

Pā Phil, our support crew and I had the honour of attending the Tai Wānanga Tū Toa pōwhiri on behalf of our raukura Kaya-Cerise and Zahria Edwarson. We wish them both well and hope the morning trainings are going well.

Unfortunately we could not attend Manaia's pōwhiri at Whakaturanga Ruamano in Otaki due to the red light restrictions however we believe he had a wonderful start to the year surrounded by all his whānau. He is most definitely in a great place with all his whanaunga. We wish Manaia all the best.

Our raukura Leon Nahi and Wiari Ewens started at Te Pou Hoia last week. Again due to the red light restrictions no pōwhiri was held, however they received a whakatau in class. We also wish them well.

Rangiaho Maihi, Taimania Tepania & Lucy Karatea transferred to Manukura. Manukura required a pre-recorded video. It was somewhat different but after a few takes we managed to submit a short video of Pā Phil speaking on behalf of the girls and kura supporting with a waiata. We wish the girls all the best.

We are super proud of all our raukura. This is the first year we have not been able to fully support all pōwhiri, face to face. We are sure all kura that have received our taonga and will nurture and embrace them all as we have done for the past 8 years. May they follow their aspirations, may they work hard, may their gift (their first language) flourish, may they continue to experience the many successes in their pathway and may they always remember to return to their kura when they can.

***KUA HOKI ORA MAI Ā TĀTAU TAMARIKI ME NGĀ KAIMAHI***

All akomanga are settling in. Tamariki are getting used to their pouako for 2022. Everyone is trying hard to get used to the masks which has proven challenging for some. Mātua mā, if your tamaiti has a medical condition that exempts them from wearing a mask eg: asthma, respiratory condition, vision or hearing impairment, the Disabled Peoples Assembly are no longer issuing exemption cards to children. Therefore all that is required is to inform either Debbie ([admin@tkkmom.ac.nz](mailto:admin@tkkmom.ac.nz)) or Roberta ([roberta.kaiwai-paterangi@tkkmom.ac.nz](mailto:roberta.kaiwai-paterangi@tkkmom.ac.nz)) and that will exempt them from wearing a mask indoors.

***TEACHER ONLY DAY***

A teacher only day is scheduled for:

**Friday 8 April, 2022**

Please insert this day in your calendars.

Kia tau iho ngā tauwhirotaanga o te runga rawa ki a koutou, e te whānau.

Nā mātau ko te kāhui ārahi 2022

***KAUHOE***

Please ensure our tamariki are bringing their togs to kura every Wednesday. With the recent unfortunate activities over the summer break, it is important that we as a kura whānau strongly encourage every tamaiti to participate in the sessions to further consolidate the fundamental and survival skills required to be as confident and strong as they can be, in water, whether it's the bath tub, the pool, a river or the moana.
