### **Karawhiua! Tīporo Season Kicks Off**

### **Wātaka Hākinakina**

By the end of next week, a wātaka hākinakina and information will be sent out to all whānau to show the sporting codes that will be available over the year.

### **A Few Friendly Reminders:**

- Looking Sharp in Uniform: We love seeing our ākonga in their correct kura uniform. It builds a great sense of pride and belonging for the kids, so thank you for your help with this!
- Morning Drop-offs: To make sure we have staff ready to supervise and keep everyone safe, please ensure tamariki are dropped off no earlier than 8:30 am. This gives our kaiako the space they need to prep for a great day of learning.
- Running Late? We know mornings can be a rush! If your child arrives after the bell, please just have them pop into the tari (office) first so we can mark them present before they head to class.

We truly appreciate all the tautoko you show our kura and our staff every day.
